

4th Degree Fundraiser!

Worthy 4th Degree Sir Knights;

Our beloved founder, Father Michael J. McGivney, firmly believed that along with the core principles of charity, unity, fraternity, and patriotism that make up the four degrees of the Knights of Columbus, we should always keep our focus on who we are as Catholics. That focus, of course, is always on our Lord Jesus Christ and the sharing of the Good Word.

St. Anthony Parish in Belleville, Michigan is blessed to have a fantastic praise and worship group called "Grace On Fire". They provide the music for St. Anthony's Saturday evening Mass, First Friday Mass and Healing Service, Easter Vigil Mass, memorial services, funerals, and the occasional wedding.

Beyond these services for the Church, "Grace On Fire" has traveled throughout Michigan to various parishes and performed Praise and Worship concerts. Many times the group has traveled with Deacon Peter Cornell and provided live music for his evangelical ministry. "Grace On Fire" has recorded with Catholic Lay Evangelist, Bill Richart on three of his praise and worship CDs as backup vocalists, and have performed live concerts with him as his backup band.

The number one priority of "Grace On Fire" is to glorify our Lord through their music. Their ministry is to spread the Good Word through their voices and their musical instruments.

Now what does this have to do with the Knights of Columbus you may ask? Well, four members are 4th Degree Knights. They have come up with a way to combine the four principles of the Order with their ministry of glorifying our Lord through song.

"Grace On Fire" is available to perform a very entertaining and spiritual praise and worship concert at your parish. **The group DOES NOT charge any up front fees or demand a minimum set concert payment.** The members of the group are all volunteers. They do it for love of the Lord. What they do ask is that a **LOVE OFFERING** be collected during the concert. The group will split 50/50 whatever is collected. The parish may use their half of the donations as they see fit. **"Grace On Fire" will donate 100% of their half of the love offering directly to the Msgr. Clement H. Kern 4th Degree Assembly's Veteran's Program.**
