

Bingo at the Ann Arbor VA Hospital

Along with VFW Post #4434 and PLAV #167, the Sir Knights Msgr. Kern Assembly #1963 regularly supports a Bingo night at the VA Hospital in Ann Arbor. The patients at the Ann Arbor VA Hospital enjoy a night of Bingo with snacks and CASH prizes.

George Kennedy of VFW Post #4434 calls the numbers and entertains the men and women gathered for the game and refreshments provided by Msgr. Kern Assy. #1963

It is too hard to get a coupon book into a pay phone or a snack machine so the prizes are all cash – paid as soon as the patient Bingos. Prizes range from \$8.00 to \$3.00 and are paid with \$1.00 bill “on the spot!”

Ed Soblewski of PLAV #167 pays off another lucky winner.

Sometimes the patients need a little help, but that's what we're there for.

Each Bingo card is used until mostly filled; more than one game per card. Bingo is called until all the prize money is gone. The veterans make sure that everybody gets some of the prize money.

Moneys raised by various activities including Praise and Worship Services, Vet's Day at the New Lawn Sod Farm and direct donations from individuals help support Msgr. Kern 4th Degree veterans' services.
