

### ***Prayer for those in military service***

***Almighty and ever loving God***, we ask your blessings on all who serve in our Armed Forces. Watch over them constantly, protect them from all harm whether physical, emotional or spiritual and return them safely to their families. Guide their hearts and minds to remain confident in you in all circumstances and continuously bless them with peace. We pray this in the most Holy Name of Jesus.

*Amen*

### ***Prayer for our Veterans***

***Almighty Father***, we beg you to continually bless our veterans who faithfully and unselfishly served their country in war and peace. Be with them and bring the healing of body, mind and spirit they need. Grace them with the Holy Spirit. Remind all of us of the sacrifices they have made so unselfishly. We ask this in the name of Jesus, our Lord, and the Prince of Peace.

*Amen*
