

Vet's Day at the "New Lawn Sod Farm"

Sunday Sept. 26, 2010, owners Norman and Linda DeBuck opened their hearts and their business, the New Lawn Sod Farm in Belleville, MI to the disabled veterans of our nation. Norm and Linda hosted various activities at their corn maze and pumpkin patch to help the veterans at the Ann Arbor and Detroit VA Hospitals. They invited the morning DJ from the area's most listened to radio station "W4 Country Radio" *Bubba in the Morning* to take a dip in their dunk tank for the vets.

The Faithful Purser, Deacon Peter Cornell, of Kern Assembly #1963 and the Commander of VFW Post 4434 and PLAV 167, Ross Medos, helped to coordinate the event and will distribute the proceeds to our disabled veterans.

Kids of all ages were invited to take pictures and enjoy the activities that Norman & Linda provided.

Everything from a giant "hill-slide" through the *Pipeline of Fun*, a corn-filled play box, pony rides, blowup bouncing toys, peddle-cart racetrack, rubber ducky races, and of course a 15 acre corn maze was there for all to enjoy.

Rubber duck races and other fun for everybody

Corn, corn, and more corn!

Hill slide through the Pipeline of Fun and Pony Rides for little cow Punchers

Fun and games for all ages

Bubba, W4's morning DJ (and all-around good guy) brought his crew out to help a cause that he feels very strongly about – Our nation's veterans. Bubba is known for his good works done through his public persona and his dedicated community involvement. THANKS BUBBA!

Thinking about how cold it is on a crisp fall day

52 degrees in the sun,
3 balls for \$2.00,
All the proceeds going to the vets -
PRICELESS

Guests were invited to bring a new pair of socks and they received a free pumpkin from the farm's pumpkin patch. Jack Demmer Ford salesman Ted Wisniewski brought out a new 2011 Ford Escape to use as a receptacle for the socks. Jack Demmer was generous enough to contribute 100 pairs of socks to start the collection. THANKS JACK! When the fellow at the Valero gas station on the corner (Rawsonville & Martz Rds.) heard about what Norm and Linda were hosting he sent down 4 pair of socks. God bless all of you!

Warm feet for our veterans. Thank you Ted Wisniewski and Jack Demmer Ford.

Many thanks to everyone who worked so hard to make this day a success. That includes the hard workers in the concession stands, everybody who set up the “Arcade of Fun,” and all the people who came out to join us.
